 - Student Activities and TCNJ Dining Services invite you to attend Fermentation Appreciation, a wine tasting/food pairing event on Friday, April 16 at 5pm-6:30pm in Brower Student Center room 202. The event will feature wines produced by Sand Castle Winery, located on the banks of the Delaware River in Bucks County, Pennsylvania.
 - Believe it or not, it’s time to start planning Cram Jam. This year we again will follow the lead of SGA and coordinate details with them. The theme this year is luau, so we’ll be looking at menu items to feature and decorations to put up in Eickhoff. If you have any suggestions, we would love to hear them. We will have a photo booth in Eickhoff. Make sure you get your picture taken with a friend for a keepsake of 2009 – 2010! Anybody know a balloon artist?
- Coming Soon – Sushi Bar!! Monday April 5th!!! And starting tomorrow, we will feature specialty artisan breads at the deli! Try some here today! Enjoy! *Clarence explained the selection of treats available at the meeting. The presentation was beautiful! While we sampled the treats, Clarence explained the menu rotation of sushi items that will be available in Eickhoff beginning April 5th and he also explained the bread selections that will be available tomorrow (April 1st). There will be challenges initially, but we’ll get there!*
- Daffodil Days – Because of the generosity and support of the students, faculty and staff here, Dining Services was able to raise \$450.00 for The American Cancer Society. Thank You!!!
- Relay For Life – Our “Motley Crew” participated in the relay on March 19 – 20 in the rec center. We had a great time and we raised \$2665.00 for the American Cancer

Society! We hope to make daffodil days and relay for life annual events for dining services.
