 - Wednesday, October 21 – European Vacation Upscale Meal – The menu has been set for our upscale meal of the semester, see attached for your review.
 - Thursday, October 29 – Halloween event in Eickhoff Hall – Join us for a spooktacular Halloween event! Paint a pumpkin or dip your own caramel apple...details and menu still in development.
- Tray-Free Dining Update Initiative
 - 10/14 – Presentation to the SGA
 - 10/21 – Presentation to the RHA
- Bread tasting
 - For those of you who don’t know, we bake our own bread daily in Eickhoff Dining Hall, right behind the deli! There has been some debate between kitchen staff as to whether the bread should be soft, or if it should have a nice crust on it. We have some samples and would like your thoughts.
 - We’ve concluded that softer is more popular because it seems fresher.
- Circle of Customer Excellence
 - Did you know you can nominate any employee for a customer service award? You can! If you’ve had a great experience with a dining services staff member, email dinserv@tcnj.edu and tell us your story. Each month, one employee from each dining location is nominated at a Circle of Customer Excellence. The winner from each location wins a small prize, and then one winner is chosen for the entire campus. From there, they go to the district level, then to the regional level, and then to the national level...with the prizes getting more and more significant the higher the level.
- Open Forum
