➤ Question for you

- What are your thoughts on a new program called MyDtext. It is a opt in/opt out program that allows you to receive up to the minute texts with event information, coupons, specials, etc. Anyone who signs up would receive about 1 per week with great deals and offers attached, all they have to do is show the cashier their text.
 - The committee asked if we can guarantee just one message per week, and we absolutely can because we are the people who would be programming it. They also asked how easy it would be to opt out. When you get a message, there is a disclaimer on the bottom that says how to opt out by sending a simple text back to who you got it from.

➤ From the RHA

- Can we please label the butters/cream cheeses?
 - We will be making a plan-o-gram to put on top of the sneezeguard.
- What happened to having just steamed veggies with nothing on it?
 - We apologize for the addition of the butter on these random occasions, and will go back to not adding it.
- Is the dietician returning?
 - We have decided to wait until after the bid process is over to actively look to replace this person. We do not think a professional would take the position under uncertain circumstances. Students can whoever, email a

Sodexo Dietician from www.balancemindbodysoul.com and get answers to their questions.

- TW sandwiches – Where is the sign?
 - It was dropped off to TW, we will locate it and post it.
- Salt, Pepper & Ketchup – Where has it been?
 - We have ordered more and it will be here very soon.
- Brian is doing a great job in Eickhoff!
 - We'll pass this on to him. Brian recently accepted a position in Eickhoff Hall and moved from TW before the semester began.
- Seating sections are closing early in Eickhoff.
 - We will have the staff stop closing the pods early. They will be open until 9.
- Can we label the forks, knives and spoons?
 - We do not feel as though this is necessary.

➤ Open Forum

- We will be setting up a meeting to discuss Passover options. Passover begins on April 19th.
